Judi and Nate,

As of 1/28/19, your office has all discovery relative to the FBI's investigation of Gregory Rodvelt (FBI case number 174A-PD-2983108).

On 1/29/19, your office received a report from ATF Special Agent Jason Weber providing the results of the examinations conducted by the ATF.

All logical investigation is complete. The FBI does not anticipate conducting any further investigation and, as such, is requesting that you review the discovery material and render a prosecutive opinion.

Please be advised that I will be retiring in the near future and would like to see this investigation to its conclusion. My last day will be June 28, 2019.

Judi and Nate,

Any progress on drafting the indictment?

I've looked into possible statutes. I would recommend you consider using T18, USC, Sec 111(b), Assaulting a Federal Officer. Paragraph (b) provides an enhancement for the use of a dangerous weapon or inflicting bodily injury. It provides for imprisonment of not more than 20 years. I also recommend you consider using T18, USC, Sec 924(c)(1)(A)(iii), which relates to the use of a firearm during a federal crime of violence. Section (iii) provides for a 10 year minimum mandatory prison sentence if the firearm is discharged.

Hope this helps,

Jeff

Hi Jeff-Nate and I were both out of the office. Sarah has all the discovery on the cloud so Nate can access it. I'm also calling the prosecutor on his Arizona case to get copies of his testimony, etc. We weren't in a rush since we filed the complaint and also because he is serving the 5 year sentence in Arizona. We'll talk and will get back to you.

Thanks, Judi

Andrew,

Below is an email I sent to AUSA Harper and AUSA Lichvarcik.

Today, and apparently in response, I received a voice mail from AUSA Harper advising that she is forwarding discovery material to AUSA Lichvacik for review and that she will be preparing an indictment. She did not identify a potential grand jury date.

I'll keep you posted.

Jeff

[REDACTED],

I'm sorry but I don't have an answer for you. As you may remember, I sent an email to AUSA Judi Harper and AUSA Nate Lichvarcik on 3/25 asking for an update on the drafting of an indictment and I suggested potential statutes to charge.

On 4/9/19, AUSA Harper responded but did not give any indication as to the status of an indictment or a potential grand jury date. AUSA Lichvarcik did not respond and still hasn't.

My last day is June 28th. I had hoped to get this matter indicted before I retired but it's not going to happen.

I don't know who this will be reassigned to. It's sad that an FBI agent can be injured in a traumatic manner while performing his official duties and yet the US Attorney's Office doesn't seem to have any sense of urgency to move this forward.

Good luck to you in your career and stay safe.

Ryan,

I sent an email to Judi and Nate on 3/25 asking for an update on the drafting of an indictment and suggesting potential statutes to charge.

On 4/9/19 (nearly one month ago), Judi provided her typical non-answer answer.

The final grand jury date available before I retire is 6/5/19. It's not critical that this gets indicted before I retire but I can't help but scratch my head over what is causing the delay. I'd also like to know Judi's reasoning for having to get the transcript from Rodvelt's state trial prior to proceeding with a federal grand jury indictment.

Do you have an update?

Gotta love Judi's non-answer answer.
I feel like responding to her email thusly: "So the answer to my question is no?"
